

EARFUL

WHAT IS EARFUL?

Earful is a social platform to discuss, listen to and post podcasts. On Earful you can listen in with your favourite creators and interact with a wider community.

SET UP

In PHP.ini: `post_max_size=25M`
 `upload_max_filesize=20M`

F.A.Q

Q: How to Access the Admin Account?

To access the Admin account, you must create an account with the username EarfulAdmin then sign in this will allow you to delete posts users.

Q: Where do I find post from people I listen to?

A: The main page will display all posts from all users. To find your own posts and the people you listen to go to your profile.

Q: My photo/audio file did not upload, why?

A: The file is most likely not supported or the file is too large. In both cases you should be notified by an error message displayed on screen.
